'Together for a better world'

School Partnership Form

Society for International Education (SIE) is a registered non-profit educational society, committed to work with umbrella organizations, academic bodies, universities, non-government organizations, and governments to establish a global community of concerned organizations and citizens with the express purpose of supporting the youth of the world in developing and implementing educational and humanitarian projects, especially projects of change and healing for the health and welfare of the planet. SIE has had tremendous success implementing several educational and ICT programs for educational development and capacity building nationwide.

SIE aims to integrate 21st century technologies and best practices in K-12 educational programs, develop and implement innovative educational and capacity building opportunities for schools, teachers and interested individuals. SIE provides local and international professional and leadership development opportunities, and provides a platform to all for engaging in global discussion and dialogue. SIE implements and supports cross cultural exchange projects and programs leading people-to-people connection

SIE offers its services to its member/partner schools. SIE member schools get opportunities to benefit from a wide range of projects, programs and unique ICT based learning opportunities.
