

COMMUNITY CATALYST: *CHANGING ATTITUDES BY TAKING ADVANTAGE OF LINKING YOUTH AND SCHOOLS TOGETHER*

Forces of Nature Activity

Part-1 Forces of Nature- Video and Disaster research

- Watch the National geographic video ‘Forces of Nature’
- Now refer to the page -4 of the FON Activity Guide

- Explore

www.fema.gov/kids/hazards

- Choose or frame a phrase/slogan/statement focusing ‘How to Survive Natural Disaster’

Part-2 iEARN Side by Side project

- Watch the short video of the iEARN project side by side
- Draw elongated images of yourself on the given piece of paper.
- Include your slogans in your pictures
- Display on the designated wall.
- Now introduce yourself in the NDYS forum attaching the digital image of your drawings.
